

# ON BENNINGTON'S HONOR ROLL

Corrected List of Men of Bennington Who Have Rendered Service in the Army or Navy of the United States During the War Just Ended.

The soldiers and sailors of Bennington in the war with Germany make an imposing list which is printed below. This is a corrected list with many additions since it was previously printed.

There are many other names which should be added before the permanent record is placed on the postoffice grounds. Families who have sons in the service should make an effort to see that the list is correct.

Honor Roll as now made out will be sent forward tonight but it is arranged so that corrections can be made for a few days longer. If any name is omitted or misspelled or wrong initials are given bring the correction to The Banner office at once. Every person in town should join promptly in the effort to have the list complete.

The Honor Roll as corrected up to noon today is as follows:

Mrs. Maurice Murphy, who recently underwent an operation at the Putnam Memorial hospital, is improving.

Clarence Farnum of Washington street has recovered after an attack of influenza.

He says many persons eat enough but don't get the strength out of it.

They dose themselves with pepsin, charcoal, iron, strychnine, arsenic. All they need is a simple herb tonic like Goldine which will cause the stomach to secrete its own natural digestive juices so they can assimilate what they eat. He says many persons who had no serious organic disease doubled their strength in two weeks after they had taken all kinds of nostrums and strong drugs for months before without the least benefit. He says everybody should know and understand the great health-building value of roots and herbs—nature's own cleanser, purifier and builder—as compounded in Goldine.

Five building lots and tenement on Beach street will be sold at 2 o'clock Saturday, November 30. Adv.

Eugene Channele will sell his personal property at the Levine H. Wood ward auction November 29. Adv.

Oldest Known Element.

Sulphur is one of the oldest known elements; the ancient Assyrian chemists regarded it as the principle of combustion and termed it "Chimition," literally burning stone.

All Mixed.

## THE GOLDINE MAN HERE

He Has a Message That Will Interest Every Man and Woman in Bennington Who Wants Good Health.

INVITES ALL TO TRY HIS METHOD ABSOLUTELY FREE

AT GOKAY'S DRUG STORE THIS WEEK

Eminent chemists and scientists as well as the grateful public declare this new treatment is remarkable in every city which he has visited crowds have flocked to talk with him about Goldine. Over four hundred bottles a week is now being sold in Waterville alone and is praised by all who have tried it.

He says many persons eat enough but don't get the strength out of it.

They dose themselves with pepsin, charcoal, iron, strychnine, arsenic. All they need is a simple herb tonic like Goldine which will cause the stomach to secrete its own natural digestive juices so they can assimilate what they eat. He says many persons who had no serious organic disease doubled their strength in two weeks after they had taken all kinds of nostrums and strong drugs for months before without the least benefit. He says everybody should know and understand the great health-building value of roots and herbs—nature's own cleanser, purifier and builder—as compounded in Goldine.

He claims that immediately after you take the first dose of Goldine you will feel it to your toes and in 12 hours the poisons, impurities and disease producing waste begin to leave the system.

He urges the investigation of these claims and in proof of his assertion, he will give you absolutely free a large sized list of Goldine. Then take it six days at your meals and watch the result. There is no string to this offer. You don't need to buy if you don't want to. This offer is to every man and woman who reads this. He asks you to test Goldine for yourself. Come and bring any suffering members of your family with the most difficult health problem and try Goldine just once.

The Goldine man at W. L. Gokay's Drug Store where he daily demonstrates and explains this wonderful new medicine free of charge. Don't fail to see him.

J. A. McCluskey.
